**Job Type:** 0.75 to 1.0 FTE (to be negotiated), lay or ordained.

### About the Position

This is a new position arising from the parish's recent vision process. The position is focused on leading and building a new contemporary congregation to reach out to the west of Adelaide, launching in early 2024. The new congregation fits within a wider renewal process for the parish in which evangelism and discipleship are central. We seek a godly and gifted minister with leadership ability and skills in church planting and contextualising the gospel for our local area.

### About Henley-Grange Anglican

The parish brought together two churches in neighbouring suburbs in 2010. Historically the Sunday services have been mostly traditional Anglican prayer book services. In late 2022 the parish entered into the *Revitalise Australia* program with 'City to City' resulting in a new vision and strategy. The senior minister is currently forming a core group to seed the new congregation, which will effectively function as a church plant within our own premises.

St Agnes, Grange
